

# Ya Gotta Know When to Hold 'em, Know When to Fold 'em

Have you ever "bluffed" yourself or your passengers into thinking things were OK on a flight that was really kinda "dicey"? We are gambling every time we go into the air and we need to do all we can to "stack the deck" in our favor. This presentation will help us develop some decision making skills to improve our chances.

**Directions:** Follow the signs at the airport to the meeting

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
